MY SEXY SECRET!

"MECHANICAL SEX!"

24840

I was always the type of person who thought sex toys were cold, inhuman things, but when I got a vibrator as a gag souvenir at a bachelorette party, I didn't leave it behind. I kept it in my nightstand for months, still in the vacuum-sealed package, and then one evening I cut open the package, washed the toy, and told myself I'd try it just to see what the fuss was about. I was more tickled than turned on when my nipples got stiff as I ran it over my breasts, and at first it felt truly foreign to move it against my pussy; but when I finally got brave enough to put in the batteries and turn the damn thing on, I was amazed at how hot it got me when I pressed it tight and steady against my clit. I kept taking it away from my pussy, telling myself I wasn't going to get addicted to a thing like this, but then I reminded myself not to be silly and just enjoy one orgasm. I called myself a sick puppy as I slipped the vibrator into my hole. I told myself I was a pervert as I felt every nerve respond. And I was crying in the purest pleasure as I came for sixty seconds straight, one climax after the other, with that silly little toy in my slit.

So much for the cold inhuman aspect of vibrators! I now own ten of 'em. **"Converted To The Cause" - Pittsburgh ♣**

SHOOTING STARS

MEGGAN MALLONE

How did you get into the business?

Meggan Mallone: I worked with a photographer in Houston. He was one of my good friends. In Texas, I was working on a solo girl site with him. We were just messing around taking pictures one day and he happened to send them to a photographer in L.A. who wanted to shoot me. He brought me out here for my first magazine shoot. I was pre-op with no boobs and I looked really young. Three months went by and I was driving in the car and looked over and saw the magazine on a newsstand and I was on the cover.

I jumped out of the car and screamed my head off in the middle of the street and ripped it open without even paying for it.

You had never done any glamour modeling before? Well, I've been modeling since I was little. I've always been around cameras, in front and behind. In high school, I was part of a production team. I also did fashion modeling. It kind of came natural to me. I got sick of modeling clothes and decided, hey, why not change it up a little bit? (Laughs) I knew that I was going into the adult industry way before

I came to L.A. I knew I was going to pose nude in magazines and stuff like that, but I had never done anything like what I'm doing now.

How did you get involved with Vivid?

I met my agent, John Stevens, at my first shoot, and he's the one who brought me to [Vivid director] B. Skow. He has a *Brand New Faces* line that he does. It's a line with new girls who are just coming into the industry and doing their first scene on camera. I went with two other models, but I couldn't do my first boy/girl scene for him because I had

done one a long time ago. He took pictures of me anyhow just to send to Vivid, and I guess that's how they found me. The next thing I knew I had a contract. I had no idea I would come out here and work with Vivid, one of the most elite companies in the industry. (Laughs) Actually, it's really funny. I was in Venice walking around and my agent called me. He said, "You have to get ready right away. We have to go to Vivid." And I was like, Vivid? What, what are you talking about? I had seen the booth when I went to AEE, but I never thought in my wildest dreams that I would

have anything to do with it later. We were going to see this guy Steve Hirsch, who I had heard of but I had never talked to him. And I got ready really really fast and put my makeup on and I walked into the office and they offered me a contract then and there. The next day I came in and signed it. Got my necklace. Thank God I got with Vivid

because I can play dress up and wear makeup and look much older. (Laughs)

Did you start shooting immediately?

The first thing I actually ever did for Vivid was a photoshoot with B. Skow for *Genesis* magazine. It was my first boy/girl layout. Shortly thereafter I shot my

first movie with Paul Thomas, who's also a great director to work with. He's so much fun. A little crazy, but fun.

Matt's Models 6 was the first thing I shot. I worked with Matt the first week I got here in L.A., not even knowing that it was for Vivid. Later, I'm like, oh my God! (Laughs) I did a girl /girl scene with one of my good friends from Houston.

You said you were pre-op with small boobs. Why did you have your boobs done?

I can't say that I had been saving up money for it before I knew I was going to go in the porn industry, but I thought it was better for my fans and they would like it better. I had surgery about five months ago.

SHOOTING STARS
MEGGAN MALLONE

Let's discuss your sexual preferences. Do you like oral? It's my favorite thing to do. Actually, I just wrapped a movie called *Suck It*, ironically enough, and that's all it's about. Can't wait for that to come out.

Do you like giving or receiving?

Both. Of course, I like getting, but I think giving is...it's one of my favorite pastimes. It's pleasing to the other person as well. You can look at the

other person's face and know you're giving them pleasure and making them happy.

Do you do facials or swallow?

Yeah, yeah, I pretty much do everything when it comes to that. Stomach and face is fun except when it gets in your eyes. I actually did my first blowbang. Well, it was only three guys. It was pretty interesting. I'm finding new tricks to do every day.

Have you done multiple male partner scenes with fucking?

In my personal life, yeah. I've done dirtier stuff than

I would do camera and that's because it's my personal life and I like to save some stuff. It's a little bit more fun.

I have a boyfriend who's in the industry and he's showing me day by day a little bit more about sex, I guess you could say. On camera, no. I've worked with a girl and a guy, but I don't think I'll be working with more than one boy any time soon.

It sounds like you're personal life is much wilder. Do you make a distinction between the two?

To a certain extent. There's

a line between business and pleasure and you have to learn you can't get all fucked up and go to work. I think I'm very much myself on camera, if not more so, because you let your inhibitions go. I don't think about anything but that other person when I'm doing it in front of the camera. So I guess no, there wouldn't be that much of a difference except for one thing, and I'm not going to say what it is, that I've done. Other than that, I've done pretty much everything the same way in front of the camera. Vivid makes sure the girls are well dressed and on their

best behavior, but I think I've seen a few girls, including myself on bad behavior from time to time. But yeah, I guess if there was a classy way of being a porn star, that would be it.

What's your favorite sex position?

I like doggie. It's a little bit more animalistic, hence the name. I like to get rough sometimes and not knowing what's going on behind me is kind of freaky.

What about anal? Either personally or professionally. Neither. That's an outty, not an innie. (Laughs)

Are you gay for pay or bi? I'm not gay for pay. I'm not lesbian, but I've had situations with other females in my past that had nothing to do with a camera or money.

Hanna [Hilton] and I have done a few scenes together and have actually become really comfortable with each other. We've done a lot of cool stuff together.

Do you masturbate?

A lot, yeah. I'd say every day. Probably twice a day. Those are the days I'm not at work. I think it might fall off if I did it that much.

Do you use toys?

Yeah, yeah. It's much easier for me to cum faster with a toy.

Do you have a favorite?

The regular. Pocket Rocket. I just got molded for Doc Johnson. They molded my face, too, and I had to put this tube in my mouth. They're going to do a doll and they're going to do a face where I can give

you head. It'll have an open mouth. And they did my cookies. I told them if they want it to be realistic, we'll save the ass for later, which they did. It should be coming out for AEE this year. Maybe someone will ask me to sign my own ass. (Laughs) If someone brings up a head for me to sign, I swear to God, I'm going to freak out. Maybe they'll have a Meggan dildo.

Do you have a website?

My website will be up soon. Some stupid person bought the name so I'm buying it from him, basically. It will be megganmallone.com. Myspace.com/megganmallone is my MySpace page. My account got deleted so I have to rebuild it. Or you can type my name in the space at the top and my page will pop up.

What are your future goals?

I hope to be with Vivid as long as possible. I'm not in the industry to do a few movies, be on a few websites, and then just go get a regular job. I'm in it for the long run. That's the reason you're in porn, right? You want to do the best you can. You don't want to waste your time. I never really took it that seriously when I first came out here. But when I got a contract, I realized this is an actual business, for real. You can't really make huge goals in porn, but if I had it my way in the long run, I'd like to be directing. Like I said before, I've had a little bit of practice behind the camera and I have a lot of really cool ideas. I want to give to people, but I don't think people would take me too seriously right now. ♣

PUSSY
& VICTOR

26865

Aptly named, Pussy is a girl who just can't get fucked enough. She's got boning on the brain all day at all times not matter what is going on around her. And it shows. She radiates sex from the tip of her bleached-blond head down to the tips of her pedicured toes and mean all around her sit up and take notice...or, at least, their cocks sure do. Just this morning Pussy was waiting at the bus stop for her chariot to arrive when she dropped her purse and had to bend over to pick it up off the sidewalk. As she straightened up, she noticed the gentleman sitting on the bench behind her squirming around trying to rearrange the lump that had appeared in the front of his pants. Pussy happens to be a big believer in two things: short skirts and not ever wearing panties, and the combination of the two is usually a winning one. Anyway, the largeness of the bulge the boner-sporting bystander was wrestling with was pleasing to Pussy and in the blink of an eye she was back upstairs in her apartment in the throes of passion with her new-found pal, Victor. He gave her a good working over with his womb warrior while Pussy pleased him both by muck-hole and by mouth. Then Victor pasted her face and they were both able to freshen up, get dressed and dash outside just in time to catch the very next bus. ♣

DADDY'S LIL' WHORE 3

STARRING: Ally Ann, Kita Zen, Gracie Glam, Suzanne Kelly, Victoria Lawson, Christian, Derrick Pierce, Mikey Butders, Bill Bailey, Sascha

DIRECTED BY: Jordan Septo

AVAILABLE FROM: Venom Hi-Def

YOUNG CHICKS / EXPERIENCED DICKS

Five fresh faced girls ham it up for the camera when they happily take on experienced studs, in this wall-to-wall offering by director Jordan Septo. With interesting settings and fun scenarios, the entire cast delivers and makes good on one of our favorite taboos, namely older guys with younger chicks.

Kita Zen, a relatively new hottie to the scene, does a fine job of seducing her older sister's boyfriend into playing with her. Once she flashes him her newly sprung titties, he has no choice but to attack. He begins with fingers, adds tongue, and then makes her practice on his stick by riding him out in pole position. Hot!

Ally Ann continues on where Kita leaves off by seducing Christian, her best friend's father. He tries his hardest to maintain his distance but eventually gives in once she yanks his joint from his jeans. She slobbers across the tip then saturates it with pussy pulp when she sits on his lap to churn out some cunt butter by twisting her hips.

In the next scenario, Mikey Butders plays the role of principal and is quick to scold Suzanne Kelly for ditching class. In order to make amends, she falls to her knees to suck his cock and balls with solid results before sprawling out across his desk to take it hard in missionary position.

Not to be outdone, Gracie Glam amps up her scene with Bill Bailey when he comes over for a visit. Like the others that came before, Bill tries his best to

resist although Gracie continues to come on strong. Once he gives in, she feasts on his cock and bounces on his boner in a slew of hot positions before being showered by his creamy blast.

Lovely Victoria Lawson ends the show on a high note by insisting to her teacher that she didn't cheat on her exam. The only way to ensure she isn't punished is

to polish his cock, which she does... and then some!

SUMMARY: Through sexy scenarios that are heavy on teasing, taboo, and build up, five babes take on much older guys with solid results. Although all of the situations are cheesy, par for the course porn, the sex itself is hot and well worth watching. ♣

INTERRACIAL CUCKOLD SURPRISE

STARRING: Sadie West, Tara Lynn Foxx, Mellanie Monroe, Kaci Starr, Austin Taylor, Prince Yahshua, Kin James, Wesley Pipes, Ethan Hunt, Rock The Icon
DIRECTED BY: Tony Flush
AVAILABLE FROM: Black Ice

HORNY CHICKS / BLACK DICKS

In what is set up as a "reality TV" living situation, black dicks, and white chicks are brought together under one roof to see what unfolds when people drop their drawers and start being real. The effects are a hot interracial release that packs a powerful punch.

Pretty Kaci Starr begins the show by spreading her legs for Wesley Pipes. He has a blast stuffing her cunt full of

tongue before swapping it out for his hefty nightstick. With a wet pussy that drips down her legs, Kaci gives up gobs of gooey gash and later ups the ante by spinning things around to deliver her experienced ass to him on a platter. We like her!

Before too long, Mellanie Monroe is found treating Ethan Hunt to the same oral delights by working his soft wang into a rock solid boner with her mouth. Once ready to roll, Ethan slams his cock between her spongy tits to ride out the curves of her cleavage. After a while he makes her big booty bounce when smacking her ass around the room while banging her juicy cunt to pop! Her husband later walks in and catches them in action, although she doesn't seem to give a shit either way.

The piece de resistance comes to life when Sadie West gives one of her best performances to date alongside Prince

Yahshua. Bringing out the best in her, Sadie has a blast choking on his chicken and getting her pussy polished by his expert tongue. Her vigorous ride in cowgirl is some of the best action ever reviewed, while her face marked by melting make-up speaks volumes about the fucking she's just received.

In the next instance, King James is impressed by Austin Taylor's naturally blonde muff, while Rock The Icon has a great time stretching out Tara Lynn Foxx's holes in a workout room. Solid!

SUMMARY: White chicks get the stuffing beat out of their muffins when black dicks come out to play. With good lighting and girls who are up for the challenge, director Tony Flush delivers an interracial movie that can stand up against any other top-notch production in this genre. It's packed full of black on white action from start to finish. ♣

LESBIAN TRIANGLES 19

STARRING: India Summer, Prinzess, Heather Starlet, RayVeness, Ashlyn Rae
Directed By: Dan O'Connell

DIRECTED BY: Dan O'Connell

AVAILABLE FROM: Girlfriends Films

HORNY CHICKS / CLIT TO CLIT

The twisting and tangling of hot female bodies is always a remarkable sight. That visual becomes even more explosive when those bodies belong to natural girls that have an unwavering penchant for pretty pussies. If that sounds like your cup of tea, then the nineteenth installment to this incredible franchise may be exactly what you are looking for.

After being denied an invitation to a party by RayVeness, her stepmother, Ashlyn Rae stays home and masturbates to the thought of punishing her disobedient stepmother with a hand paddle. After

her ass is red and delicious, RayVeness gets to work between Ashlyn's thighs by licking her from top to bottom. After this display, both ladies intertwine their legs and mill their snatches against one another with sticky wet results.

When RayVeness returns home from the party, she tries to seduce Heather Starlet but is pussy blocked by Ashlyn Rae. When she fails to seal the deal, the action moves over to India Summer who is found fingering Prinzess across the kitchen counter. Their energy intensifies once India bends Prinzess over a couch to continue exploring her holes with her fingers and tongue. With plenty of kissing and nipple sucking, this scene is a fine example of what Girlfriends Films is all about.

As the story progresses, RayVeness gets another opportunity with Heather and this time she seals the deal. They

begin with ample kissing which leads to RayVeness making Heather cum when she sucks out her pussy like a chainsaw. The effects are so hot and realistic that not being turned on becomes an impossible task.

The final scene has Prinzess and Heather finding comfort in each other's arms and in between each other's legs when both are wounded by their lovers. As is always the case, the best way to get over somebody is to get under somebody else. With slick pussies and happy faces, their mission is accomplished!

SUMMARY: As the story progresses, like that of a soap opera, five sexy girls deliver realistic bouts of lesbian sex that is full of passion and appeal. The story continually moves forward and keeps the viewer entertained by providing an interesting storyline that always ends in a cliffhanger. ♣

NATURALLY YOURS 5

STARRING: Evie Delatosso, Vanessa Leon, RayVeness, London Keyes, Brandy Talore, Angelica Raven, Mick Blue, Alex Gonz, John Strong, James Deen, Jenner

DIRECTED BY: Gregg Alan

AVAILABLE FROM: Diabolic

NATURAL TITS / COUPLES SEX

Although most breasts are beautiful, there is something special about a perfect pair of natural tits. With the porn landscape being chalked full of synthetic fun bags, this movie chooses to focus on those babes who are naturally blessed with ample chests.

The movie begins with the cameraman panning up into Angelica Raven's ultra meaty beaver as she spreads it open. Once we get an ample look inside her pink palace, Jenner folds her in half to take his cock in doggie. He later pushes

her back against a couch and takes complete ownership of her asshole in the process. All of this is captured while her bouncing tits remain the star of the scene.

Brandy Talore continues the fun when she buries Mick Blue's cock between her watermelon tits. He's hard from the start and really rises to the occasion when she smothers his face in her mammoth cleavage. Their titty fucking session is also quite nice and leads into hot sex that nearly blackens Brandy's eyes once her bongos start banging below.

Asian cutie, London Keyes and John Strong put the smack attack on her fleshy tits before London delivers a slobbery enriched blowjob. With pink paw marks that span the length of her body, John lays into London like his life depends on him destroying her pussy. She screams

for more the entire time and really gives him a run for his money when she takes control of the situation in reverse cowgirl.

With a healthy mix of old and new being represented, RayVeness continues with Alex Gonz. With her perfect pair of homegrown tits, she clearly has what it takes to turn him on and ends up delivering the hottest scene of the movie by really letting herself enjoy the sex.

Coming in a close second is the final scene that has Evie Delatosso and Vanessa Leon stacked up to take down James Deen, in what becomes a cat and mouse game of burry the boner. Hot!

SUMMARY: Homage is paid to girls with natural racks in a movie that is well shot and well lit. Perfectly in tune to satisfy the fun bag fanatics, this movie makes good on its promise to keep it hot and keep it real. ♣

NATURE'S BREAST

STARRING: Riley Evans, Sara Stone, Angelica Raven, Evanni Solei, Avy Scott, Pat Myne, Marco Banderas, Danny Mountain, John Strong

DIRECTED BY: Danny Case

AVAILABLE FROM: Zero Tolerance

ROCKIN' RACKS / SOLID SEX

With more natural breasts on the brain, director Danny Case also jumps on the big booby bandwagon by paying homage to girls who are naturally blessed with killer racks and fuckable pussies. As can always be expected with his movies, Case makes it a point to warm up the viewer with plenty of tease sessions to get the heart pumping before the big race. This title is no exception.

Angelica Raven begins the show in a brightly lit room by shoving her tits together and bouncing them for the camera. By the time John Strong enters the frame, we are ready to watch her be fucked. He intensely lays into her from the start and seems to enjoy her spirited blowjob. Although he pussy seems quite inviting, her elastic asshole leaves a lasting impression when it is stuffed to capacity.

With what can arguably be the hottest set of natural tits in the industry, cover-girl Riley Evans really stands out as being a premiere performer. Her blowjob skills are second to none, while her enthusiasm is evident as soon as she enters the frame. Here, she settles into Danny Mountain by sitting on his face. Although incredibly horny, her best display comes to life when she gets her ass fucked in missionary position.

Evanni Solei, a sister with supermodel good looks, definitely adds a little flava

to the mix when she struts her stuff for the camera. Her POV style blowjob is extra special, while her continual eye contact has enough heat to melt the screen. Although this alone makes the scene worthwhile, Pat Myne ensures their connection stays rock solid by taking the initiative in a slew of hot positions. Left to her own devices, she is relatively weak.

This is clearly not the case with Avy Scott, who brings the house down in an award worthy scene alongside Pat Myne. Together their chemistry is unmatched and the sex that pours out of these two is what porn fans hope to experience.

SUMMARY: All hail to the power of natural tits in this winning movie that is stacked with one killer rack after another. The mark is hit at every turn, creating a hardcore extravaganza that big titty fans mustn't live without seeing. ♣

PUMP MY ASS FULL OF CUM 2

STARRING: Jenna Haze, Aubrey Addams, Andi Anderson, Missy Stone, Hillary Scott, Voodoo, Mr. Pete, Jerry, Mark Wood, James Deen

DIRECTED BY: Jules Jordan

AVAILABLE FROM: Jules Jordan Video

BUTT BANGING / ANAL CREAM PIES

For what is arguably one of the best production studios around, Jules Jordan pumps out another winner that includes a virtual laundry list of who's who in the adult industry and then stuffs those beautiful bums full of cum. For those fans that are interested in straight "jacking off" porn, it doesn't get any better than this. Jules Jordan remains the king!

Barreling out first with both guns blaz-

ing is Aubrey Addams who enthusiastically takes on three cocks at once. She begins with a communal suck and stroke session, which quickly leads to each man bending and twisting her holes over their hoses. Although she is kept full the entire time with multiple DP sessions, Aubrey still has a way of making each stud feel individual and special.

Jenna Haze, the usual best of any bunch, does porno proud when she seduces Voodoo by stripping and grinding on top of him before treating his cock to some outstanding oral love. After several minutes, he's found excavating her little asshole, which eventually leads to an anal cream pie finish. Yum!

Without skipping a beat, Missy Stone carries the torch forward when being plugged by Jerry and Mr. Pete. Giving as good as she gets, Missy takes to cock like a fish to water and doesn't stop until she is leaking from all three holes!

Hillary Scott, the naughtiest of the bunch, makes sex look so damn dirty when she gets down with Jerry and James Deen. With a feathery skirt to frame her glorious holes, both men stretch her out with their big sticks and take pleasure in repeatedly making her gape. She seems to love it too, as she begs for a deeper connection.

Finally, Andi Anderson takes center stage and practically steals the show when Voodoo spreads her juicy ass across the kitchen counter like butter. Really, sluts or productions don't come nastier than this!

SUMMARY: Jules Jordan can do no wrong. He hits the nail right on the head with this stellar production that is a Grade-A pick for fans of anal sex and gushing cream pies. Without a single dud in the bunch, each scene delivers right on cue! You will get exactly what you are expecting to get. ♣

**SIMONY & PEACHES**

According to bitchy boss lady Simony, Peaches is about the best sexecutive assistant an alpha female could ever hope to have. Not only is she able to brew up a damn fine pot of coffee, but Susana is well-trained in the delicate art of dyketation having been a labe-loving lezzie since experimenting in college. Which is why Sandra hired her in the first place, to help out with organizing her O's, especially on those far away business trips. Both tarts being experts at twat time management, their workdays have settled into a simple yet completely satisfying routine: mornings are dedicated to answering email, making phone calls and other correspondence. After that stuff is all sorted out they get back to their corporate-paid suite and bang the living daylights out of each other. Susana really goes the extra mile to put a smile on Sandra's face by lazily noshing on her nub until Sandra screams and gasps for air. Then they switch spots so Sandra can get her fill of furburger and from there they settle into a sweet and sweaty 69. Their afternoons are typically filled with mundane things like meetings, but they stop well before 5 o'clock so that Susana can give Sandra's gash one final going over before sending her home for the evening.

Whoever said you can't mix business with pleasure wasn't trying hard enough. ♣

ALEXANDER DEVOE

INTERRACIAL TAIL-BLAZER!

In the popular world of interracial pornography, there is one name that consistently stands out amongst the pack, and rightfully so. That name belongs to Alexander DeVoe, a heavily awarded director who recently seized coveted awards for his ethnic themed excellence at the recent 2010 AVN Awards Show in Las Vegas.

A verified master at creating sexual build up and a palpable crescendo through his lens, DeVoe pushes the limits of sexual boundaries and consistently delivers what IR fans crave. Watching his sexual creations unfold is more like being a participant in a special event,

rather than being an outsider looking in. With a profound attention to detail and an uncanny talent for pulling out the very best in his performers, DeVoe has granted us a rare and candid interview about his rise to the top.

When did you get started in the adult industry?

While attending the University of Hawaii, I met Diana DeVoe, an ex-girlfriend and former business partner, in a photography class. Our meeting came at the right time. It was when I was really opening up to my sexuality and getting into more risqué types of sexual expression, like

swinging. I also worked at an adult video store at the time and could easily pour through one hundred movies per week. You can say I was a huge porn fan. With her by my side, my growing sexuality, and love of porn, it was only a matter of time before it all came together. That day happened when I took a production class. That gave me the medium, format, and knowledge to be able to see the big picture.

Therefore, it's safe to say that a career in porn was your destiny.

Yes, I guess so. Through a friend in the adult industry, I was introduced to main-

stream porn stars that came to Hawaii to feature dance. With him, I had an in.

Tell us about the first scene you were ever in.

The first time I was ever in front of the camera was in 1996. It was a scene for *Anabolic*. It was twelve in the afternoon, the beach was crowded, and a girl asked if I wanted to do a scene with her. I declined because I wasn't attracted to her. After some coaxing, I agreed although I couldn't do it. That was the beginning of it. Soon after, I bought a video camera. I learned all about it quickly and shot stuff with Diana. We set it up on a tripod and from those experiences; I was able to learn my style. After a while, we wanted to get hooked up with an agent in Los Angeles, and take the porn world by storm. In the summer of '99, Diana got the cover of *Baby Got Back 18*. It all took off from there.

Since your accolades are in the form of directing and producing, was being in front of the camera

ever your goal?

I never wanted to be the man in front of the camera, although when people saw Diana and us together, they wanted to pair us up. My passion has always been directing. I took my camera with me everywhere I went. When I was on set, I'd ask people if they wanted or needed an extra camera guy. They'd always tell me no. Sometimes they'd let me shoot over their shoulder so I could learn. One day on set with *Elegant Angel*, the director had shot several scenes and didn't have the energy to shoot another. He asked me if I'd like to step in. Of course, I said yes! I was thrilled to finally be given the opportunity. It was my first real scene. My second directed scene was for Ed Powers with his *Dirty Debutant* series. Thankfully, my persistence and drive paid off.

Do you consider that to be your first "real break?"

The real break came in 2001 when I pitched and shot an idea for West

Coast. We pitched this idea of going out of town to film girls on the road, in a movie called *Black Booty Cam*. The first was shot in Memphis, the second in Atlanta, and the third in Miami. I was at the right place at the right time. From there, I directed several series, *There's Something about Jack*, *Chasing the Big Ones*, *Booty Talk*. When West Coast had all of their contract performers, I directed all of their series. I did Justin Slayer's first series, *Mandingo's*, Brian Pumper's, and Lexington Steele's. It has been my observation that the industry goes through cycles. Every three years there is a type of rebirth or transformation in the industry. I've watched it change and have witnessed fads come and go. That window has opened up yet again.

What birth cycle are you currently in?

I'm at a point where I want to progress into selling other people's products.

I've gone through the talent phase, the contract/director phase, being involved in a distribution deal with Jules Jordan

Video. It's time to take it to the next level. I want to take control of my own business 100%. It has been a wild ride and everything continues to happen so quickly, which is definitely not the normal progression that most black performers enter into. From day one, I just wanted to form a company, direct, and make an impact.

What separates a good actors from mediocre actors?

The thing that separates good actors from bad is their ability to let their natural emotions come out. When I first started out, I'd put people in dirty dungeons and watch them shed their skin and become performers. I want the people I cast to let go. Most black performers like to be in control, more aggressive. It's nice to put them in an environment where they feel safe and comfortable to let their emotions get the better of them. I want to hear their sex noises and have them be a bit more vulnerable. It's the reality of certain performers and

performances that makes the scene pop. I seek greatness and want to capture emotional magic. I want my fan's hearts to pump just as fast as mine does while I'm shooting.

Who have been some of your favorite starlets to work with and why?

I don't really have favorites because I love all sorts of personalities. I like people who are smart and have a tangible understanding of my vision. Some girls who are considered the "it girls" don't necessarily do it for me. Belladonna is a shining example of greatness and is a pure spirit. She's so genuine in her sexuality to the point where she actually gets goose bumps on her skin when she performs. She's one of the "chosen ones." Charley Chase, Marie Luv, Bobbi Starr, Jazmine Cashmere, and Dana DeArmond are also very solid. The people who manage to stay around are the ones who can truly call themselves porn stars.

What are your favorite types of movies to shot?

I like doing fetish oriented material. I like it when people are bound, gagged, choked, tied up, and thrown in the trunk. I like very dominant and submissive situations that go to the extreme. My sexual aesthetic is very dark. That format turns me on. *Rico the Destroyer 2* is a perfect example of my personal taste.

What can fans look forward to in your movies?

They can look forward to having a personal experience with my movies. I'm very connected to delivering what the consumer wants, while staying true to my vision. Maybe they want to see more foot stuff, more female domination, more people tied up, more straight-jacket scenarios, or more kidnapping scenes. Primarily, I just want to please my customers. Getting to that point was difficult for me at first. Good directors are able to set their egos aside and not create from an egocentric point of view.

Letting go of that has helped me to become a better director.

How do you interact with your fans?

I have a forum that I am very active with. I check it at least 10-15 times per day. I stay directly connected to my fans. If I want to do a title, I'll ask my fans their thoughts before moving forward. I also open up the forum and allow fans to reveal to me what types of movies they'd like to see next. Depending on the response from multiple participants, I'll create a new title based on their recommendations. They also tell me what they don't like which is also beneficial. I produce for the widest audience possible. I aim to please most people. With this goal, more people are satisfied with my product.

What sets your company apart from that of your competitors?

If separated into pure black stuff, I don't think there is anybody out there that can do what I do. My inspiration is John Stagliano. Guys who are out there now

have learned from me and through me. They duplicated the same things I did when I shot them years ago. I discovered Justin Slayer at a party. He eventually was contracted to West Coast. Some people choose not to recognize me and give me credit, but I know the truth. When I look at their product, I see their imitation and my influence. I'm flattered by it.

What has been your most outstanding accomplishment in the adult industry?

Being heavily awarded every year has been a great accomplishment. My quest was to break the mold of how black stuff was being produced before I came into the business. I want to give the IR consumer something different to look at. My goal is for the long term. I came to the business for a reason. My path has directed me here. I want to leave something behind that is greater than I am.

Can you tell me details about one of the hottest scenes you've

ever captured?

Yes, it was for *Black Ass Master 2* and starred Mark Wood, Mr. Pete, Marie Luv, and Jazmine Cashmere. The scene was electric, amazing, and won awards. At the end of that scene, I actually stood up and applauded. It was phenomenal and fully loaded.

What does the future hold for Alexander DeVoe?

I want to distribute my own product and have people under me who I distribute for. I am also putting together a reality and radio show called, *The Stilts and DeVoe Show* that chronicles my true family and business life. I'd also like to shoot a mainstream motion picture, perhaps a horror film, all while maintaining a proper balance in my personal and professional life. I'm a man who is capable and comfortable with wearing many hats. My task now is to take another step toward my destiny. ♣

RECEPTIONIST'S TAX RELIEF

I work for an accountant named Mr. Fudgett. Back in March, the height of tax season, I was in the outer office answering phones when one of Mr. Fudgett's clients showed up for the last appointment of the day. He was a serious-looking guy named Don, and as he waited he explained how tax time was always so tough on him because he was a freelance journalist and had to shell out so much money every April for his self-employment taxes. The poor guy was a nervous wreck and said that although Mr. Fudgett got him all possible deductions, he still had to pay so much tax that he had to borrow on his credit lines. With the tight economy it was going to take him longer than ever to pay back the loans.

Mr. Fudgett finally called Don in. I felt sorry for Don and wanted to help him calm down. I'd only been working for Mr. Fudgett a few months and was not familiar with all his clients, but when I checked the records I learned that Don had

been coming here for several years.

It was already my quitting time when Don was finished. "I guess I have to write a bestseller and make Hollywood money, or I'll never get out of debt!" he moaned.

"Listen," I said, "it's happy hour now so why don't we go for a drink? You look like you could certainly use the company, and I could definitely use a drink!"

Don smiled for the first time. We hit a nearby Mexican restaurant with great happy hour snacks and specials. Soon I was well-oiled and Don and I were flirting like mad.

"I'm really not a bad fellow when I'm not worrying about money."

"It's only money, Don!" I laughed, holding up my third margarita. "But at least you have Mr. Fudgett on your side—he'll get you every deduction!"

"He certainly has one of the best receptionists in his industry!" Don said, giving me a kiss. When he saw how eagerly I responded, he moved his hands over the front of my blouse. I knew I looked like a slut

JUDY, CHRIS & ROB

Judy has always had a bit of trouble making up her mind. Whenever she has to choose between this and that, she's faced with hours of agonizing deliberation before being able to make a decision. So you can imagine the turmoil she was in just the other evening when she met not one but two handsome and eligible strangers at her local watering hole. Chris and Robert was each appealing in his own right, and Judy was having a difficult time deciding which one she'd most like to bring home and ball. After a couple of hours, it was evident that both men were equally interested in Judy for way more than just her witty barroom banter and all she had to do was pick her partner, take him home, part her thighs and have him poke her. But Judy, indecisive as ever and unwilling to settle for just one of them, suggested that they try trysting as a trio instead. Being open-minded fellows Chris and Robert readily agreed, and before long the group was up in Judy's living room getting their group on. Judy expertly divided her attention between the two studs and, in turn, was very satisfactorily serviced. When it came time for the boys to blow she ended up being well slathered in man-aise. Way to go Judy!

sitting on the bar stool and getting felt up, but what the hell! Tax time is stressful not just for accountants, but for their receptionists too.

Soon we were at my apartment and I was down on my knees sucking Don's cock. Believe me when I say I don't do this for *all* of Mr. Fudgett's clients! Other clients are calmer about their cash. It was only Don I was interested in—at first he seemed so helpless, and I wanted to do him a good turn, but then when I saw that cock of his—WOW! It was really impressive, and felt so satisfying when I stuffed it into my mouth.

Don looked down and said, "I wanna return the favor, Cherise." We headed over to my living room couch and stripped off our clothes. I flopped back on the couch and Don crammed his face between my thighs. It was heavenly, except that I missed that wonderful cock of his! It seemed so far away as he kneeled and licked my sopping pussy! So I told Don to get on the couch so we could both "eat" at the same time. It was fantastic to feel his cock sliding through my lips to the back of my throat as I leaned over him while sitting my cunny on his face.

All thoughts of tax time were far away as we lay together in that sixty-nine. I came violently on Don's tongue and was careful not to bite down on his big beautiful prick. When I was done climaxing, Don put himself between my legs. He took that fantastic dick and pressed it into my pussy until it disappeared all the way in, fucking me deep and hard while I played with my tits and looked up at him like a total bimbo. When he finally pulled out it was a beautiful sight—all that hot cream shooting out over my belly, releasing all the nasty built-up tax stress from Don's balls.

Well, shortly after this encounter, Don *did* get a great offer from a publisher that took him to Asia for a book-writing assignment. I, of course, am still on my job at Mr. Fudgett's office. Things are a bit quieter now that April 15th is long past, but whenever I want to masturbate, I think back to my tax time mercy fuck with Don and realize it was one of the best lays of my life. In fact, after it got going, there was nothing pathetic or merciful about it at all—just the memorable hard screwing that we both needed. I'll never forget it!—Sexual Good Samaritan, Seattle **"Sexual Good Samaritan" – Seattle ♣**

SURPRISE IN LINGERIE!

Life has a funny way of turning out. I learned this very well last night. I had gone to buy lingerie to wear with my new boyfriend Nick, something that would please him on the upcoming one-month anniversary of our dating relationship.

While I was at the store I pretended that my roommate Clover was with me,

helping me make selections. Clover and I have been rooming together since we met when we both moved to Brooklyn after college. We do everything together when we don't have boyfriends. She hasn't had a guy in quite a while, whereas I have Nick.

Clover had something to do for her job, otherwise she would have shopped with me. As I looked through the bra and panty sets, the stockings, garter

belts, and high-heeled slippers, I imagined what Clover would say; things like, "Oh Ginny, that bra is too plain for your titties," or "I think these panties would look so great on your perfect butt."

I made my selections but I had a strange, sad feeling. Something just felt wrong! Was my eye for underwear off today? I sure wished Clover could have been along.

When I got home I made myself

a can of spaghetti and had a glass of wine. The bag with my new lingerie lay on the dining room table, and I stared at it as I ate.

Finally Clover came home. She had been at a cocktail party for her job and was dressed really nice. She joined me in the wine but scolded me for eating a can of spaghetti—like it was only fit food for a mopey teenager. "Aww, I just picked it up on my way home,

Clover. Felt too lazy to make something better."

Clover asked what was bothering me. "Drop the subject," I said. "Let me show you my new things."

"Sure, Ginny, put them on in the bedroom while I get out of these work clothes."

When I came back into the living room, Clover was sitting on the couch in her robe. It was funny how self-con-

scious I felt as I displayed myself in the pretty new underwear, walking like a model. The high-heeled slippers felt, well, very high. In fact, I felt "high" like I'd been smoking weed (which I hadn't), as Clover looked me over: "You look wonderful, girl. Nick is a lucky man."

That's when the surprise came out of my lips. I guess my subconscious heart took over because I heard my voice say, "I didn't buy this to wear for

StoreMags.com

Nick. It's for you, Clover. *You.*"

She looked at me for a long moment and sipped some more of her wine. "Sure, we've been fooling ourselves all along with this boyfriend stuff, right, Ginny? Poor Nick. Poor all of those guys."

She felt the same way! Immediately I felt a gush of wetness between my legs. I wobbled on the heels and steadied myself against a chair. Clover opened her robe and let it drop to the floor. She was naked. I might as well have been naked too, for all the coverage my new bra, panties and stockings gave me. I reached between my legs and felt the dampness of my panty crotch. It was like syrup leaking through the fabric. Clover came close and lifted my hand to her lips and sucked my fingers. I blinked fast looking at her and then exploded with my fingers still in her mouth.

Everything was happening so fast. "What'll I tell Nick?"

"Don't worry about that now, Ginny. Tonight is only about us."

It had been "about us" for a long time but we hadn't faced it. Clover ran her hands over my lingerie-clad body as she kissed and licked me. We moved slowly toward the bedroom and I felt her own body for the first time in a way I had never even dreamed of—at least, not in any dreams I'd allowed myself to remember. I put my face between her legs and tasted what I'd seen casually around the apartment for the last two years, like if she was changing panties or walking to the shower. She tasted so delicious. I squeezed Clover's breasts while I kept licking her. I loved her pussy... I *loved* it.

Suddenly she started cumming and made the sweetest moans I'd ever heard. And she made me cum again too and I sounded pretty wonderful myself.

Afterward we stared at the new lingerie, in a heap on the bed where I'd pulled it off as we made love. I wondered if I still would wear it for Nick. Couldn't I be bi? As I cuddled with Clover, I told myself that whatever I decided, at least I knew I had one true love in my arms right now. **"Cumming In Confusion" – Brooklyn ♣**

JANET & JAMES

For their three-month anniversary, James decided to surprise Janet with a romantic weekend getaway. When booking the hotel, James impulsively chose the deluxe "honeymooner" suite, a spacious set up complete with potted plants and an indoor jacuzzi knowing that his gill would go ga-ga for it. As things turned out, it was a terrific choice on his part, because when Janet bounded into the room she squealed loudly with pure delight at the sight of their fancy digs. In fact, she was so excited about soaking in the tub that she couldn't be bothered by undressing completely before she bounced right in. With a small splash James joined her, and soon Janet was showing her appreciation for his thoughtfulness by deep-throating his dong in the water. Then, mashing his just-mouthed member in between her wet tittys, Janet jacked him awhile 'till his jock was rock-hard and he was begging aloud to be inside her. She leaned back and spread her legs so James could pull her thong to the side of her slit and stuff his stiffy right in. They soon ditched mish in favor of other, more dynamic positions, and Janet even allowed him to hump her hiney hole. She came with his cock up her ass and his hand on her clit, then hopped off so he could slather her smile with his man seed. Aw, what a cute couple! ♣

MARISSA & NORA

The long-perpetuated myth that, when left to their own devices, sexy gal pals the world over will default to having a pillow fight, jumping braless on a trampoline or blowing bubbles at each other is downright ridiculous. Honestly, who even owns a trampoline these days? The truth is, when two beautiful buddies (such as Marissa and Nora, for example) get together to hang out much more magical things happen than walloping each other with feather-filled cushions or playing with tiny bottles of soapy suds. When these two lezzie lady friends gather, they know how to diddle away an otherwise dull afternoon in spectacularly sticky Sapphic style. After greeting each other and getting naked, the girls fall right into their favorite posish—a snatch snackingly delicious 69 and proceed to pass the time rather pleasantly by tongue prepping each other's hidey holes for the fun to cum. Next Nora pulls out her big bag of toys and lets Marissa take her pick of the pricks. Selecting a snowy white one packed smartly with fresh batteries, Marissa hands it off to Nora who quite willingly works her over. When Marissa begins to moan, Nora knows it's her turn to get tinkered. Marissa sticks Nora's slit with a slightly shaky hand, orgasmic spasms still causing her tunnel to twitch. It doesn't take Nora very long to get there, her twat having been pre-moistened by the sounds of Marissa's noisy O. That's when the pretty playmates pause to catch their breath, pussies a-gush with goodness. ♣

CLAUDIA

"I may not look like it, but in my spare time I do some work as a professional dominatrix," Claudia confessed. "I'm doing very well with it too, because my looks are so deceiving. Everyone expects me to be all sweet and charming, and then I turn the tables on them. I can be a real bitch when I want to. I can definitely play the part. I like to dress in leather, thigh-high boots and use my riding crop and flogger. I totally get off when a strong man just totally surrenders himself to me and wants to do nothing but please me."

A PIC!

BREENA Breena is a long-time stripper who has decided to take the next carnal step and make her way into adult films. She describes herself as very sweet and fun with a very kinky side to her. She also says that she is a bona fide nymphomaniac who loves sex. So with that body, that attitude and the means, who not get into fucking on film? We couldn't agree with her career choice more and wish Breena lots of luck and cock in her new hardcore decision!

ANGELICA "I did this photo shoot because I wanted to think about all of the hard men stroking their cocks and thinking about me," Angelica told us about her reasons for taking it all off for us. "I like big guys who aren't afraid to do whatever it takes for both of us to get off. I really want to feel what you have to give me. Believe me, I'll give it back tenfold. I have a talented mouth, tight pussy and even tighter ass. Cum wherever you want, and use me however you want. I'm up for any and all challenges that may cum!"

ANNIE Annie is studying to be a veterinarian, and she says she's having a blast in school. Despite all of the hard work, she's enjoying going to parties on campus and making lots of new "friends." "I have definitely grown up going to college," Annie says. "I really have begun to let my hair down and go wild. I have done more in the last few months than in the rest of my life. A few weeks ago I went to this one party and got it on with two other girls and two guys. We just took turns pleasing each other for hours. I'm still wet thinking about it!"

BLUE "I'm looking for a man who is secure enough to let me indulge in my wildest, nastiest, dirtiest fantasies," Blue revealed. "My craziest one is to fuck a guy with a strapon. There's something about the idea of putting myself into someone else and taking over that is really intense. Maybe there is a kinky guy out there who can keep up with me, but so far most guys just get totally freaked by my fantasy. If anyone out there is ready to give it a go, get in touch with me and maybe we can hook up and see what happens!"

HEATHER

"My friends always make fun of me because of my taste in men," Heather wrote us. "I like older men for a variety of reasons. I think it's because they make me feel safe and know how to take care of a girl like me. I think my little butt is banging, my pussy is tight and I haven't had that many lovers who knew how to use my assets to their fullest potential. I think older guys are more grateful for a young catch like me. I'm loyal, loving and will do whatever it takes to please my older man."

MY SEX LIFE!

24857

"CITY SLUT!"

Watching live sex has always been my thing. Secretly, I go to swingers clubs dressed up in sexy disguises so people won't be able to recognize who I really am. Since I hold a very high position as a City Councilwoman, I have to make quite certain that my true identity remains anonymous to those around me.

Although I've never actually joined in, I do come equip with my favorite vibrator that I turn on turbo twat speed while I watch people fuck. My thing is Latin men. Whenever I see a dark skinned guy tearing into a white hole, my pussy throbs and my panties get drenched.

Last Friday while out on the prowl, I saw the sexiest man imaginable. All the girls in the club were vying for his attention and his ten inch cock. To my surprise, Mr. Big Dick came after me. After trying my best to refuse his advances, I couldn't resist. I had to know what his cock tasted like. I fell to my knees, unhinged my jaw, and pounded his prick to the back of my throat until my fucking eyes popped. He grabbed my cheeks and fucked my face until my tits were covered in saliva. While I continued to suck his shaft, I placed my hands underneath and began to strum his black marbles like a harp. He loved my kinky style and urged me to suck him off harder. I did!

Before too long, my mouth was dripping with gallons of his man froth that I happily licked up. I think next time I'll actually go a bit further and give up my virgin ass!
